

Vodec Residential Phase Plan-Amended 6/25/2021

This Phase Plan will be for each Vodec group home on a home by home basis until further notice or changes have been approved by Vodec's CEO

Phase 1-Highest Risk

- No visitors allowed in the group homes
- No outing allowed for the consumers
- No home visits for consumers
- If a consumer leaves the group home with family, they will not be permitted back into the group home until it has been approved by Vodec's CEO.

Phase 2-

Residential group homes visitors

- Visitors will be limited to parents/guardians
- Visitors will schedule dates and times with the residential supervisor
- Visits will be allowed up to 1 hour per day with only one set of parents/guardians to be allowed to visit on a given day
- Visits will take place in a designated room, consumer bedroom or outside. This will need to be agreed on with the residential supervisor
- Visitors cannot visit if they are sick, have a temp over 100.4, have respiratory symptoms or have two of other known symptoms
- Visitors must bring their own thermometers if the group home does not have one to share
- Visitors will be required to wash hands upon arrival
- Visitors will be asked to social distance
- Visitors will be asked to limit their touch on any of the home's surfaces
- Visitors will be required to bring and wear a mask

Outings

- Outings can consist of outdoor activities such as social distanced games, short walks in neighborhood, vehicle rides, etc.
- Follow social distancing
- Washing hands before leaving and after getting back home

Consumers who are a resident of a Vodec group home that have been on an extended stay with family, parents/guardians since the pandemic started will be: Allowed to move back into the group home

- Once the consumer moves back into the group home, there will be no home visits until phase 4

Home visits

- No home visits or leaving with parents/guardians
